BRIGOVISION II

Basic set

includes flue gas analyser, combustion probe with hose and cone, ambient air probe MINI, softcase with magnet, charger.

Item 3300 € 1.475,-

BRIGOVISION II

Set for chimney sweepers in aluminium case

as item 3300 + Ambient air probe with teflon cone
Multihole probe
Aluminium case

Item 3390 € 1.800,-

BRIGOVISION II

Set for chimney sweeper in aluminium case with 4Pa tester

Items 3390+6541 € 1.950,-

Multifunction flue gas analyser Ideal for HVAC engineers & chimney sweepers BRIGON 500-2

- Easy operation while testing oil and gas burners
- Direct access to all measuring programmes via rotary switch
- Average tests for efficiency, tightness and temperature

Basic set BRIGON 500-2

includes flue gas analyser, combustion probe with hose and cone, ambient air probe MINI, softcase with magnet, charger.

Item 5302 € 764,-

BRIGON 500-2

Set in carrying case:
basic set + ambient air probe 150 mm, rubber cones set, pressure flexibles, IR printer and carrying case

Item 5382 € 1.066,-

Item 5382 incl. 4Pa € 1.250,-

BRIGON Fixed Price Service:

- after 12 months: € 85,-
- after 24 months: € 195,- incl. sensor replacement
- after 36 months: € 85,-

BRIGON INF100

- Optics 10:1
- Easy operation
- Fixed emissivity for standard tests
- Real-time Max-reading

Item 6197

Special price, €

26,-

BRIGON INF185

- Optics 12:1
- Adjustable emissivity
- Backlit display
- Worklight (LED)
- Min/Max/Dif/Avg functions
- ISO-plug connection for K Type probes

Item 6196

Special price, €

67,50

Moisture meter for wood and other materials

Ideal for moisture inspection of wood, cardboard, plaster, concrete or mortar in walls, boardings or floor

BRIGON HC100

- Measuring scale for wood
- Automatic measurement test
- Manual battery check test
- Automatic Power Off function
- Replaceable electrodes

Item 6503

Special price, €

49,-

BRIGON HUMIDCheck Pro

- 8 characteristics for 150 wood types
- Wood humidity value 0 ... 100%
- Replaceable electrodes
- External humidity and temperature sensor
- Automatic Power Off function
- Protective bag

Item 6501

Special price, €

87,50

Item 6570

Special price, €

15,50

NCV2 Non-contact voltage tester for 50 - 1.000 V. Detects AC voltage, has visual and audible alarm.

PC2 Pipe clamp adapter Type K with ISO-plug-connector for BRIGON 500/520/INF185/DL389 and other instruments. For 1/4" - 1 1/2" pipe circumference, Temp. range -40° ~ 120°C

Item 6571

Special price, €

35,-
